About Our Company

A BRIEF STORY ABOUT THE COMPANY

Freixo, founded in 2026, is a dynamic Qatar-based company specializing in premium wholesale and retail trading solutions. Built on over a decade of specialized industry experience, Freixo focuses on a multi-channel trading approach, prioritizing high-quality Disposable Solutions, Commercial Cleaning Materials, and Essential Building Materials through wholesale, retail, and long-term contractual supply.

We deliver comprehensive supply chain support across multiple sectors in Qatar, catering directly to large-scale commercial projects, corporate offices, residential compounds, and private homes. From high-grade packaging and disposables to specialized cleaning supplies and construction essentials, we ensure seamless on-site delivery that satisfies both large corporate demands and everyday household needs.

Backed by a powerful supplier network, deep market knowledge, and a customer-first approach, Freixo is committed to being the most trusted, one-stop trading partner for projects, offices, and homes across Qatar.

Vision

Our vision is to become Qatar's most reliable and innovative hub for integrated supply and service solutions, setting a new benchmark for operational excellence. We strive to empower businesses and households by simplifying complex supply chains through our "Smart Sourcing" model and a commitment to 100% transparency.

At Freixo, we don't just aim to be a vendor; we aspire to be a strategic partner that anticipates our clients needs and delivers excellence "Exactly When Needed" contributing to the sustainable growth of Qatar's trading and service sectors.

04 Expert Team & Trusted Network

Backed by over a decade of industry experience and a reliable global supplier network, ensuring quality, timely deliveries, and consistent professional performance.

Core Value

Reliability & Responsibility

We take full ownership of our supply chain and services, ensuring consistent delivery and fulfilling our promises to every client, every time.

Innovative Sourcing

We believe in smart, strategic sourcing—leveraging new global networks and technologies to provide the best materials and disposable solutions in a competitive market.

Integrity & Transparency

We conduct our business with absolute honesty and strong ethical principles, ensuring transparency in every transaction, from sourcing to final delivery.

Customer-Centric Commitment

Our clients are the heart of Freixo. We listen, adapt, and deliver customized solutions that meet their specific needs, precisely when they are needed.

Uncompromising Quality

From building materials to disposable essentials and cleaning materials, we ensure that only the highest quality standards reach our customers, without exception.

Our Product Categories

Freixo offers a wide range of practical and high-demand product lines tailored to meet the specific requirements of Qatar's construction, industrial, commercial, and residential sectors. Our goal is to be your reliable trading partner — whether you need premium disposable solutions, commercial cleaning materials, or strategic building material supply.

A Disposable Solutions

We specialize in the strategic supply of high-quality disposable products and food packaging solutions. Whether you are managing a corporate office, a restaurant, a dark kitchen, or a household, Freixo ensures reliable delivery and premium standards through the following core offerings:

- **Premium Disposables & Food Packaging:** Wholesale and retail supply of premium food packaging, tissues, cups, packets, and hygiene-grade disposables tailored specifically for restaurants, dark kitchens, and catering services.
- **Commercial & Daily Essentials:** Reliable delivery of everyday single-use products and essential disposable items designed to meet the high volume and hygienic demands of busy commercial establishments and modern workplaces.
- **Contractual Supply & Subscription:** Tailored long-term supply management and auto-refill subscription services for large organizations, ensuring seamless, uninterrupted availability of all required disposable items.

B

Disposable Facility Services

We help organizations maintain clean, safe, and efficient spaces through dependable disposable facility solutions.

- Disposable Services: Our solutions support offices, commercial facilities, healthcare settings, and residential communities with reliable and cost-effective disposable essentials.

C

Trading & Sourcing

We manage the entire lifecycle of material acquisition, focusing on quality and cost-efficiency to support Qatar's growing infrastructure, commercial setups, and residential networks.

- Construction & Industrial Materials: Wholesale and retail supply of building consumables, hardware, and essential project materials tailored for large-scale developments.
- Strategic Material Sourcing: A dedicated supply operation where we identify, procure, and deliver specific bulk goods globally based directly on your project and organizational requirements.

D

Safety & Protection Gear

We prioritize site safety by supplying high-standard Personal Protective Equipment (PPE) designed to safeguard workers in demanding industrial and construction environments.

- Personal Protective Equipment (PPE): Helmets, gloves, safety vests, goggles, coveralls, safety shoes, ear protection & other site safety essentials.
- Ideal for construction sites, maintenance teams, and industrial zones.

E

Construction & Industrial Materials

We provide a comprehensive range of high-quality construction consumables and industrial tools to support Qatar's infrastructure projects. Our focus is on durability and reliability, ensuring your site operations never stop.

- Project Consumables: Binding wires, various types of nails, screws, and high-strength bolts.
- Adhesives & Sealants: Industrial-grade silicones, sealants, adhesives, specialized tapes, and spray foam.
- Tools & Equipment: Premium drill bits, cutting discs, paint tools, and essential hand tools for onsite work.
- Hardware Essentials: A wide variety of hardware items and general construction consumables available for wholesale and retail.

F

Cleaning & Hygiene Supplies

We specialize in the wholesale and retail supply of professional-grade cleaning chemicals and hygiene essentials. Freixo ensures that your facility, whether commercial or residential, is equipped with the highest quality tools and supplies to maintain a spotless environment.

- High-grade cleaning chemicals & disinfectants
- Industrial & household cleaning tools
- Washroom hygiene & paper products
- Bulk supply for corporate & site facilities
- Eco-friendly & high-standard hygiene solutions
- Scheduled delivery for contractual clients

Wholesale & Bulk Supply

We specialize in large-scale distribution, offering competitive bulk pricing and reliable stock availability for contractors, retailers, and corporate clients across Qatar.

- Competitive wholesale pricing
- Flexible bulk order options
- Consistent stock availability
- Fast logistics & delivery support

Why it matters:

Businesses often need reliable suppliers to handle large orders without delays. Freixo ensures scalability and consistency, helping clients meet project deadlines and reduce procurement stress through our streamlined sourcing model.

Wide Product Range

We provide access to a diverse portfolio of products across multiple industries, ensuring that businesses and individuals can find everything they need in one place.

- Disposable Solutions
- Construction & Industrial Materials
- Safety & Protection Gear (PPE)
- Professional Cleaning & Hygiene Supplies
- Hardware & Building Essentials

Why it matters:

Instead of dealing with multiple suppliers, customers can save time, effort, and costs by sourcing everything from a single trusted partner – Freixo

Retail Services

We cater to individuals and small businesses by providing essential products in smaller quantities, ensuring accessibility for homes, offices, and local shops.

- Flexible order sizes for every need
- Ready-to-use retail packs & bundles
- Affordable pricing for small-scale buyers
- Diverse product variety across all categories

Why it matters:

Families and small businesses often need frequent, smaller orders instead of bulk quantities. Freixo bridges this gap by making premium products accessible at the right scale and price.

Trusted Brands

We partner with globally recognized and reliable brands to deliver quality products that meet industry standards.

At Freixo, we ensure that every item in our inventory, from disposable essentials to industrial materials, comes from a source you can trust.

- Leading international and local brands
- Warranty-backed industrial products
- Consistent quality assurance for all supplies
- Genuine and certified disposable & hygiene goods

Why it matters:

Clients gain peace of mind knowing they are purchasing authentic, long-lasting products, reducing the risks of counterfeit goods or frequent replacements. Freixo acts as your quality filter, ensuring only the best reaches your doorstep.
